

2020 Cropping Systems Conference Program

Three Rivers Convention Center

Monday, January 6, 2020-Thursdays, January 9, 2020

Time

Monday, January 6, 2020

3:00-5:30

Direct Seed 101 (must be pre-registered) Andy Juris, Eric Orem, Chris Eckhart, Rob Dewald

Time

Tuesday, January 7, 2020

7:00

REGISTRATION OPENS

7:30-9:00

CONTINENTAL BREAKFAST WITH EXHIBITORS

9:00-10:00

A Local Approach to Implementing Regenerative Ag Practices– Douglas Poole, Mike Nestor Moderated by Curt Livesay

10:15-11:15

Direct Seed 101

Pest and Weed Management 101, Kurt Schroder, University of Idaho
Larry Lutcher, Oregon State University

Soil Health/Nutrient Management/Pesticide

Microbes: 25% Yield Increase
Thomas Poole

Crop Rotation and Cover Crops

Rotational Benefits and Challenges of Winter Pea and Cover Cropping in Dryland Cropping Systems, Erin Brooks, University of Idaho

Alternative Crops

Take a Walk on the Sunnyside, Maria Harvey, Legend Seeds

Room A/B

Room C/D

Room E/F

Room G/H

11:15-11:45

MORNING BREAK WITH EXHIBITORS

11:45-12:45

LUNCHEON & PIONEER AWARDS

12:45-1:45

Direct Seed 101

Breaking the Yield Molds: Maximizing Yield Building Components by Critical Growth Stages, Cat Salois, The McGregor Company

Soil Health/Nutrient Management/Pesticide

Herbicide Resistance in PNW Dryland Systems, Drew Lyon
Joan Campbell, Judit Barroso

Integrating Livestock Grazing

Impacts of Cover Crops and Livestock Grazing on Direct Seed, Operations, Sheila Hasselstrom
Moderated by Curt Livesay

Alternative Crops

Implementation of alternative crops in dry land regions of WA & OR
Eric Orem and Andy Juris

Room A/B

Room C/D

Room E/F

Room G/H

1:45-2:45

Creating a Drought Resistant Soil, Dale Strickler Agronomist, Green Cover Seed

2:45-3:30

AFTERNOON BREAK WITH EXHIBITORS

3:30-4:30

The Nutrient Density and Health Benefits of Wheat- David Killilea, Staff Scientist Nutrition and Metabolism Center, UCSF Benioff Children's Hospital Oakland,

4:30-6:30

VENDOR RECEPTION/RESEARCH POSTER PRESENTATIONS

2020 Cropping Systems Conference Program

Three Rivers Convention Center

Monday, January 6, 2020-Thursdays, January 9, 2020

Time

Wednesday, January 8, 2020

7:45	REGISTRATION OPENS			
7:45-9:00	CONTINENTAL BREAKFAST WITH EXHIBITORS			
8:00-8:45	ANNUAL MEETING - PNDSA (Room A/B)			
9:00-10:00	The Value of the Farmed Smart Certification for Regenerative Ag- Jill Clapperton, Rhizoterra, Aldyen Donnelly, Director of Carbon Economy, Nori			
10:00-10:30	MORNING BREAK WITH EXHIBITORS			
10:30-11:30	Direct Seed 101 Equipment 101 Financing Equipment Loans, and Farm Programs- Ryan Kile, Farm Credit, Chris Werner, FSA	Soil Health/Nutrient Management/Pesticide Management Drought Resistant Soils, an In-Depth Look at Cover Crops Dale Strickler	Farmed Smart A Broader Approach, Jill Clapperton, Rhizoterra, Sara Harper, Our Grounded Growth	Pest and Weed Management Overview of Hemp and CBD Markets, Curt Livesay
	<i>Room A/B</i>	<i>Room C/D</i>	<i>Room E/F</i>	<i>Room E/F</i>
11:30-12:30	LUNCH WITH EXHIBITORS			
12:30-1:25	Implementing Cover Crops and Intercropping to Reduce Inputs and Increase Profitability- Derek Axton			
1:25-1:45	QUICK BREAK			
1:45-2:45	Integrated Nitrogen Management, Joel Williams			

Time

Thursday, January 9, 2020

8:00-5:00 p.m. ADVANCED SOIL HEALTH, SOILS IN TRANSITION: NUTRITION, BIOLOGY, AGROECOLOGY—Joel Williams (must be pre-registered)
