

CROPPING SYSTEMS CONFERENCE

January 7-8, 2020 – Three Rivers Convention Center, Kennewick, WA

CALL FOR POSTER PRESENTATIONS

PLEASE SHARE THIS INFORMATION WITH COLLEAGUES

This is an invitation to share your research, education and outreach related to cropping systems in poster format. Topics could include but are not limited to: *direct seed production practices, residue management, rotations, tillage practices, harvest methods, weed, disease, or pest management, fertility management, soil quality, CRP management, soil health, cover crops, and farm and enterprise economics.*

We anticipate an attendance of 400+. This event will provide an excellent opportunity to inform PNW producers and other industry participants about the most current findings from your research. Please join us as this is the only event of its kind in the Pacific Northwest!
