

Call for Presentations

2027 Cropping Systems Conference

January 12-13, 2027 | Kennewick, WA

The Pacific Northwest Direct Seed Association (PNDSA) is planning its 2026 Cropping Systems Conference, and we are extending an invitation for researchers, educators, and industry professionals to submit poster presentations related to Direct Seed and Soil Health practices. We welcome your research, education, and outreach contributions to be part of this important event.

- **Conference Topics Include:**
- **Soil Health**
- **Intercropping**
- **Cover Crops/Livestock Integration**
- **Economics**
- **Pests, Diseases, Disorders, and Nutrition**
- **Weather Impact and Resilience**
- **Alternative Crops**
- **Technology in Cropping Systems**
- **Other Relevant Topics**

Submission Information:

Topic Title: _____

Category: _____

Primary Contact Name: _____

Primary Contact Email: _____

Abstract (200 words maximum): _____

Please submit separate applications for each intended presentation.

- **Submission Deadline: May 15, 2026**
- **Notification of Acceptance: June 30, 2026**

Submissions will be reviewed by the Cropping Systems Planning Committee. If your research is selected, you will be contacted by June 30, 2026. If your research is not selected for a presentation, we encourage you to participate in our research poster session, during the conference.

We look forward to hearing from you and showcasing the latest in research and innovation related to cropping systems, direct seed practices, and soil health!

For further information and to submit your presentation, please contact Kim Brunson, kimb@agmgt.com
